

COVID Protocols

2020 / 2021 Season

1. As stated in the membership letter dated October 1, 2020, your Waiver must be signed before your first play of the season.
2. Enter and exit the facility with a mask or face covering.
3. Masks are to be worn throughout the Indoor unless you are on your court.
4. Arrive no sooner than 5-minutes before scheduled playing time. Walk directly to the check-in area.
5. Always maintain 6-feet distance between you and the next person.
6. Staff will sign-in in all players this year. You do not need to sign anything at check-in.
 - In place of receiving the check-in slips with your invoice, this year's monthly invoices will be more detailed and will list the info from the slips: the date played and type of tennis – singles, doubles or ball machine.
7. A white board will be placed at the check-in desk with your court assignment.
8. Lounge occupancy – a mask is required, 6-feet distancing and 8-people maximum occupancy, no coffee service will be provided this year.
 - The lounge can be used as a holding area 5-minutes prior to play yet cannot be used to socialize after playing.
9. Bathrooms will be operational but not the showers.
 - Bathroom occupancy – masks are required, stay 6-feet apart, 4-people maximum occupancy.
10. Water fountains will not be available this season.
11. Bring your own water and personal towel. Water and Gatorade can be purchased. Towels will not be available.
12. 90-minute sessions only, e.g. no additional play unless pre-approved by the Manager or desk personnel.

Arriving Walking Pattern

- Because the hallway to the check-in desk is very tight, the hallway is now a 1-way walking path; walking from the foyer to the check-in desk is the only permitted walking direction down the hallway.
- Maintain 6-feet distancing between people when entering.

Exiting the Courts and the Building

- When finished playing, promptly exit the courts through the door found in the middle of court 1, which has historically been an emergency exit. The door now swings inward for improved ease and safety. Please proceed straight through the foyer and exit the Club.
- Maintain 6-feet distancing between people when exiting.
